is the widest range of window cills and ancillaries in the industry, all available from a national network of approved stockists. So whatever you're looking for, the chances are we've got it - and our stockists will have it available immediately from stock.

With 25 years experience of manufacturing PVC-U cills and ancillaries, you can depend on Cillsetc for high quality products that won't deteriorate or discolour.

This leaflet explains the Cillsetc range, the colour options and standard pack sizes.

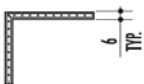

Cillsetc is part of Plaslyne, the plastic building products manufacturer. Plaslyne offers a huge range of products including rainwater systems, cavity closers, internal cladding, internal window boards, roofline and cladding. For more details on Cillsetc or other Plaslyne product ranges, talk to your local stockists or please call us on 01952 292511. We'll be glad to help.
